Secretary of Veterans and Defense Affairs
On September 1, 2017, Governor McAuliffe appointed Carlos Hopkins to the position of Secretary of Veterans Affairs & Homeland Security. By legislation signed on March 3, 2014, Governor McAuliffe renamed and refocused Secretary Hopkins’s post, which is now the Secretary of Veterans and Defense Affairs.

The name change and re-organization of the office serves an important two-fold purpose. First, it is responsible for the oversight of all veterans-related issues in Virginia, executed through the Department of Veteran Services, and ensuring that a productive relationship is maintained with the military services and Department of Defense activities located within the Commonwealth.

Second, it leads Governor McAuliffe’s initiatives focused on military communities to ensure that Virginia remains the base and installation location of choice and is the most “military-friendly” state in the nation for the hundreds of thousands of Servicemen and women and their families who serve throughout the state and call Virginia home.
